October—2024

volume 64 . issue 10

a message from senior pastor, Jacob Heine

*“If there is a poor person among you, one of your brothers within any of your city gates in the land the Lord your God is giving you, do not be hardhearted or tightfisted toward your poor brother. Instead, you are to open your hand to him and freely loan him enough for whatever need he has.” ~Deuteronomy 15:7 – 8*

Last month in worship we took the time to discuss stewardship. It is always one of those topics that is difficult to talk about, just as it can be to hear. Unfortunately, there is a misunderstanding that the Church only talks about money. And to be fair, the televangelists of the past and prosperity gospel preachers of today have not helped in this matter. However, we must admit that the Bible talks often about money, possessions, and generosity. This is because how we view and handle the items that God gives us to steward says much about how we view and think of God.

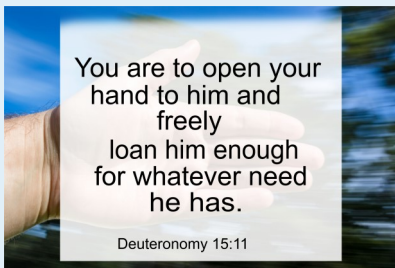

God has been generous with each of us. Even when we struggle with the material items of this world (our money, possessions, and property), we can't help but recognize that God has given freely and we are more well off than the majority of the world. But even more so, and more importantly, God has been rich and generous toward us in His love and grace. In the life, death, and resurrection of Jesus Christ, God has given us greater gifts in forgiveness, love, and grace. God's mercy means that God has given us far richer gifts than we deserve.

Our stewardship is our response to all that God has given to us. Knowing the amazing and rich blessings that God has poured out on us, we open our hands and freely give to the work of God through the congregation (this is the tithe the Bible speaks about) and we give freely to other worthy and great projects in congregations and in the world (these are the offerings the Bible speaks of).

Let me say thank you for your continued giving and blessing that you give to our congregation through both your tithes and offerings. We are able to continue to do amazing activities and provide worship with excellence because of your generosity and free giving. As we look toward the next year and beyond I am excited and encourage to know that we will not only continue the work we have been doing, but find ways to move forward to bless others as we have been blessed.

In Christ's Hands,

Pastor Jacob

## Choir Rehearsals

- *Alleluia Ringers Handbell Choir* – 6:00-7:00pm. Meets in the sanctuary. Bell ringing technique can be easily taught in rehearsals, but you need to be able read music (especially counting and rhythm). This choir usually rings in both our styles of worship about once a month.
- *Adult Choir* – 7:15-8:30pm. Meets in the choir loft. This 4-part (SATB) choir is always needing more voices! No need to audition, just the love of singing. The choir sings at least twice a month in the 8:00 service and once a month in the 10:45 service.

## Other Worship Arts & Music Ministry opportunities...

- *Praise Team/Band* – Our on-going music team for the 10:45 Modern Worship is always looking for more members... Singers (lead or harmony) and band musicians (guitar, keys, drums, bass) are scheduled around availability (you do not need to commit to every week). Rehearsals are on Wednesdays at 7:30pm (after WOW) the week of the Sunday you are scheduled. Anyone is welcome to sit in on a rehearsal to see what is involved.
- *Tech Team* – Every worship service needs technicians to work in the tech booth running sound, screen, or cameras. If any of these positions interest you, please contact Linda. Training will be given and an optional small stipend is available.

If you have questions or need more information about any of the above, contact Linda Meyer at: [lindameyer@faithlutherantopeka.com](mailto:lindameyer@faithlutherantopeka.com).

*Oh come, let us sing to the LORD;  
let us make a joyful noise to the rock of our salvation!*  
Psalm 95:1

October is the beginning of a very busy time for LWML. October 5 is the Topeka Zone meeting at Redeemer Lutheran Church in Lawrence with 11 members from Faith attending. Circles will not meet this month as we have the **FALL TEA** on Sunday, October 13. LWML Sunday is on October 20th with the theme "ready to serve" based on Luke 1:38: *And Mary said, "Behold, I am the servant of the Lord; let it be to me according to your word." And the angel departed from her.*

We are also busy planning for our annual chicken noodle dinner and quilt raffle fund raiser on November 3rd. We will be voting on the distribution of the funds we raise at the fall tea. If you are not an LWML member but would like to help out with the dinner, we would love the extra help. Please contact Shari Albrecht at 785-230-2278 for more information on how you could be involved.

**DEBORAH CIRCLE** met on September 17 at Jan Lyle's home for sharing information, fellowship, and Bible Study and are considering a service project to make adult bibs/aprons for shut-ins and nursing home residents.

The **EVE GROUP** met in September and shared information on all the exciting events coming up, now that the Fall Season is here! (See reminders in the Church Messenger and Weekend Updates!) Eve will host the Fall Tea on October 13th. The Hannah group is presenting the speaker -- an expert on Tea -- and we're providing ladies with a pretty "Tea Party" complete with a variety of teas and tasty sweets! See you there!

Please watch for the Mite Box to be out on the first Sunday of every month and consider dropping in your loose change. Our current mission grant for which we are collecting mites is Kansas University Campus Ministry, *The Crimson & Blue Lutheran Crew*.

Faith has created the Faith Lutheran Church fund at the Topeka Community Foundation (TCF) to handle non-cash donations to the church.

Donations that can be made to Faith through TCF include stocks, bonds, IRA RMD distributions, real estate, estate bequests and life insurance proceeds.

For details to make a non-cash donation send an email to [bookkeeper@faithlutherantopeka.com](mailto:bookkeeper@faithlutherantopeka.com), put "Investment Donation" in the subject line and include your contact information in the email.

Last month we discussed Hospice Care. In an attempt to be able to differentiate between the care provided in the services offered we will now look at Palliative Care (PC). "Palliative" comes from the Latin word, "palliare," which means "to cloak." This brings a picture to mind of supportive, comforting, and protective care rather than aggressive, often painful or uncomfortable treatments associated with severe illness. Cicely Saunders, the founder of the first hospice in the world, also was founder of palliative care. Palliative care was founded on the 7C's of care, which are:

- 1) Communication; a compilation of the records, plans, and details of the patient's care, used as a tool for discussion at health care team meetings.
- 2) Coordination; a coordinator organizes team meetings for discussion, planning, care analysis, and education.
- 3) Control of symptoms; patient symptoms are assessed, discussed, and treatment plans identified.
- 4) Continuity; patient and caregivers are given contact information for after-hours care and treatment.
- 5) Continued learning; care team members discuss patient care to share ideas and problems.
- 6) Care support; caregivers are supported, listened to, encouraged, and educated to participate in the patient's care as they wish. Health care professionals plan support for the caregiver when bereavement occurs.
- 7) Care in the dying phase; caregiver is informed and supported when the patient approaches the terminal phase and medicines for terminal symptoms are made available.

According to Caring Info, a program of the National Hospice and Palliative Care Organization, PC focuses on maintaining the highest quality of life while managing treatment and

other needs. Hospice Care (HC) focuses on the period closest to death. More specifically, PC focuses on easing pain and discomfort, reducing stress, and helping the patient achieve the highest quality of life possible. HC, on the other hand, focuses on quality of life when a cure is no longer possible or the patient or family decide the burdens of treatment outweigh the benefits.

PC is a resource for anyone living with a serious illness, such as for pain control. PC helps patients manage physical symptoms and emotional stressors and focuses on the patient's goals for care, values, and what is important to them. It also aims to improve quality of life for both the patient and the family. A patient is eligible for HC when the physician thinks they have fewer than six months to live. Additionally, the HC benefit can be extended multiple times if the physician continues to certify that the patient is expected to live less than six months.

A patient receiving PC can receive curative care and therapy for an illness. However, a patient receiving HC will NOT receive curative treatment but will receive only meds that enhance quality of life. Some other services provided by HC can include emotional support to the patient and family, medications and medical supplies needed to provide quality care, coaching for caregivers, grief support, and some special services such as speech and physical therapy when necessary. It is also possible for HC to make arrangements for short-term inpatient care when pain or other symptoms cannot be managed at home or when caregivers need respite care. It is also possible to leave HC if a patient's condition improves or the patient decides to resume curative care and return to HC later. Both PC and HC can be provided in any environment where the patient lives, such as at home or in long-term care facilities. PC nor HC services intend to hasten or postpone death.

# DOORSTEP

Neighbors Helping Neighbors

Our neighbors are really struggling to make ends meet this year. From 2023 to 2024 the number of food orders we have provided in 8 months has increased by 34%! Keeping food on our shelves has been a challenge again this year! Doorstep has already spent over \$43,000 on food purchases through August, and we have been buying food nearly every 2 months. The statistics below show the real need of our neighbors, and Doorstep as we try to provide a full food order each time. Our neighbors are already struggling to make ends meet, keeping their rent and utilities paid, and dealing with the crisis that life throws at them... having money to keep food on the table and personal hygiene items continues to be a challenge. In the first eight months of 2024, we have spent over \$200k on rent, utilities, dental vouchers, prescriptions, Topeka Metro passes, gas vouchers, hygiene products, auto services, and more.

**Food Assistance:**  
(Doorstep)

**Jan – August 2024**

Food Orders: 2,032  
Individuals: 5,158  
Pounds Given: 113,708

**Jan – August 2023**

Food Orders: 1,465  
Individuals: 3,598  
Pounds Given: 85,135

We can provide this assistance because of our donors and funders who believe in neighbors helping neighbors and give where they can. We are grateful for every donation, large or small, and we appreciate our donors sharing our mission with us! If you are in need, or know someone who is, please tell them about Doorstep.
